Also a good two reel comedy

CLARESHOLM LOCAL NEWS

A. A. Cruickshank is spending his holidays at Sylvan Lake.

Mrs. G. E. Dickson of Calgary is spending the week here, visiting relatives.

Leo. Pfefferle is down from Calgary to assist with harvest on his farm in this district.

Stanley Buller, of Ridgeway, Ontario, arrived in on Tuesday morning to visit friends.

Mr. and Mrs. Wallace Davis of Nelson, B. C., were in town a couple of days this week.

Mrs. J. F. Reynolds and daughter Miss Mildred returned the first of the week from a month's visit at Spokane.

Clareholm schools will open for the fall term on Tuesday, September 1st, with the same staff of teachers as last year.

Miss Bertie Guy returned on Saturday last from Portland, Oregon, where she has been visiting for several weeks past.

The season for hunting mountain sheep and mountain goat opens on September 1st and continues to October 31st.

The Salvation Army started to hold services here on Saturday evening last. We understand it is their intention to continue work here.

Snow was reported in other parts of the province last Saturday, even as far south as High River, but there has been no snow in Clareholm district.

What cutting will be practically finished this week in Clareholm district, and with favorable weather conditions threshing will be general here next week.

The hunting season for wild ducks and geese opens on September 15. The season for Hungarian partridge opens on the same date, south of the North Saskatchewan river.

So far we have heard, Aug. Lange, northeast of town, was the first to start threshing in this district. He started last Saturday one piece of wheat going 29 bushels to the acre.

"The Night Club," with Raymond Griffith, Vera Reynolds, Wallace Beery and Louise Fazenda, at the Rex theater on Friday and Saturday nights this week. Adapted from William de Mille's play "After Five."

There has been no frost so far in Clareholm district. Frost has been reported from various points further north during the past week. Red Deer, Lacombe, Rimby, Wetaskiwin, Leduc, Stony Plain, St. Albert, Fort Saskatchewan and Cooking Lake being some of the points where frost is reported.

Mrs. Lester Barr and Mrs. Harry Taltenger were hostesses at a very pretty shower held at the home of Mrs. Wm. Barr on Saturday evening, August 22nd, in honor of Miss Merle Barr. In spite of the inclement weather the large number of guests present bore evidence of the popularity of the bride-elect and the general esteem in which she is held. The rooms were tastefully decorated with a color scheme of pink and white, with pink candles, pink and white ribbons and a touch of freshness added by large bouquets of pink and white sweet peas. A miniature bride, dainty in white satin, adorned the table on which the gifts were laid. Miss Barr received a large number of beautiful presents and after these had been duly admired, a delicious lunch was served. After a most enjoyable evening the guests departed wishing their young friend every success in her new life.

United Church Services

The union services of St. Andrew's and Bethel United churches will be continued next Sunday, with the Rev. G. W. Langille in charge. The morning service at 11 o'clock will be held in St. Andrew's church and the evening service at 7:30 in Bethel church. Brief, bright, and attractive services with practical Gospel messages at all. A hearty welcome for all.

Mr. and Mrs. G. W. Ringrose entertained at a dinner party about thirty guests in honor of their sister Miss Ethel Amundsen who is leaving for Toronto to take up her studies at the Toronto Conservatory of Music. Miss Ethel is very well known and liked in Clareholm, having practically been a resident all her life, and for the past two years has been teaching in one of the country schools. She will be missed very much, especially in church and Sunday school work, where she has been an active member for some time. We all wish her every success in her work. Among the guests were: Miss L. Amundsen, Calgary; Miss Mae Ringrose, Calgary; Mr. S. Berger, Parkland; Mr. E. Ellison, Champion.

Advantages Greater in Western Canada

Comparative figures show that 38 per cent of the farms occupied in the United States are farmed by tenants, and only 8 per cent rented in Canada.

The Canadian advantage is much more striking when the three prairie provinces, Manitoba, Saskatchewan and Alberta, the largest grain growing area in the world, where there are millions of acres yet waiting settlement, are compared with those sections of the United States of similar general conditions and production. The average price of occupied farm-lands in Manitoba, including both improved and unimproved, together with dwelling house and buildings, is \$28, and in Saskatchewan and Alberta \$24. Against these prices are the following comparative figures per acre in the various states, according to the last United States Census of Agriculture.

Ohio	\$113.18	Indiana	\$125.98
Illinois	\$187.59	Michigan	\$75.48
Wisconsin	\$98.72	Minnesota	\$109.23
Iowa	\$227.09	Missouri	\$88.08
North Dakota	\$41.10	South Dakota	\$71.40
Nebraska	\$67.91	Kansas	\$62.30
Montana	\$22.15	Idaho	\$69.43
Colorado	\$35.40	Utah	\$48.26
Nevada	\$28.11		

According to findings of the United States Tariff Commission in 1923, the Canadian farmers can produce a bushel of wheat for 46 cents less than the American farmer, principally because Canadian wheat lands are cheaper, the average yield per acre higher and cost of transportation to markets lower.

Canadian Pacific Crop Report

Winnipeg, Aug. 24.—During the past week weather conditions have been generally favorable for harvesting, according to the weekly crop report issued today by the agricultural department of the Canadian Pacific Railway. Light showers in scattered districts in the three provinces occasioned some delay and in Manitoba a heavy rainfall during the week end will again tie up work temporarily. Wheat cutting is general through the west and in many parts well advanced. Harvest help is ample and where a shortage exists the condition is caused by faulty distribution. Live stock receipts in western markets continue heavy, with a large percentage of unfinished cattle, for which demand is high.

In Alberta wheat cutting is proceeding nicely and crops turning out fairly well. Sixty per cent of wheat cutting in southern Alberta is accomplished and in central and northern sections from thirty-five to forty per cent. Cutting of barley and oats is also general, the report says.

E. D. & B. C. Railway—Oats and barley promise only a fair crop. In the Grand Prairie district wheat will likely average eighteen bushels. Oats and barley half crop. Hay over whole country is excellent and there will be no shortage of winter feed for live stock.

British Columbia—Hot dry weather has prevailed during the past week with showers during the week end. In the Okanagan valley more rain is needed to properly size and mature the fruit crops. The small fruit crop is practically over. Early apples are now moving in considerable bulk.

There has been no serious shortage of harvest help here this season, though the quality of part of the help that has come in was not all that could be desired. A percentage of the men didn't want to stook grain—said it was too hard work. Again a percentage of those who accepted stoking jobs didn't hurt themselves any with speed.

Here and There

The first batch of last winter's furs brought from the Far North by the steamer "Distributer," from Akkavik, has arrived at Edmonton, Alta., and is valued at approximately \$100,000. Good catches of furs, were reported throughout the north.

Sockeye salmon fishing around Vancouver, B.C., for the first three weeks of the current season, while not as active as last year, has, so far, resulted in fairly good catches. The latest reports indicate a catch to date of 55,000 cases which is 2,000 cases less than last year.

While the members of Dean Sinclair Laird's party of school teachers from Ontario is returning East from their tour of the country the party of British teachers, who landed in Canada recently, is now travelling through the West on a special Canadian Pacific train, to gain knowledge of the country and information concerning its resources.

Construction of the half million dollar storage and power dam on the Muskoka River, authorized at its last session by the Ontario Legislature, has been commenced. The proposed work is designed to control the flow from the Muskoka Lakes basin and will enable the linking up of power development in that district with the Englehart-Severn system.

Passenger traffic over Western Lines of the Canadian Pacific Railway to date this summer has been particularly bright, and a large number of special trains and special cars being operated for British, Canadian and American tourists. Lake and summer tourist travel is at the annual exhibition at Saskatoon and other Western points required the operation of special trains.

Construction of one of the largest and most modern departmental stores at Winnipeg, Man., by the Hudson's Bay Company will be proceeded with immediately, according to an announcement by Mayor Webb of that city. A start upon the company's building programme here was assured, stated Mayor Webb, with the passing of a by-law by the City Council providing for a memorial boulevard flanking the Hudson's Bay property.

During the first half of August two important Ontario railway towns celebrated their Old Home Week and held pageants illustrative of their local histories and industrial activities. Those were North Bay and Saint John's, both of which held C.P.R. Days and were the meeting points for thousands of railroad men, who assisted in the pioneering work of the districts. The Old Home Week at North Bay marked the graduation of that town to well-fledged cityhood.

The funeral in Montreal recently of the late G. M. Bosworth, chairman Canadian Pacific Steamships, was attended by E. W. Beatty, chairman and president of the Canadian Pacific Railway, and nearly all the directors and executive officers of the company. An impressive and dignified procession followed the ceremony, a cortège being formed by the company's police and officers and men from the crews of Canadian Pacific steamships.

A party of thirty prominent American society people, scientists and artists succeeded recently in blazing a new passage along the Wolverine pass across the northern Canadian Pacific Rockies with the Trail Riders of the Canadian Rockies. The Riders this year have many famous names among them and six separate countries are represented. Twenty of the members wear gold and enamel buttons, showing that they have ridden 2,500 miles along the mountain trails.

Another PRICE Suggestion
Biscuits, Buns and Rolls

BISCUITS What delight light this shortening suggests. So tender they fairly melt in the mouth, and of such glorious flavor that the appetite is never satisfied. These are the kind of biscuits anyone can make with Dr. Price's Cream Baking Powder and these unusual recipes:

(All measurements for all materials are level.)

BISCUITS
2 cups flour
1 teaspoon Dr. Price's Cream Baking Powder
1/2 cup milk or cold water
1/2 cup shortening

Stir together flour, baking powder and salt, add shortening and rub in very lightly; add liquid only to make soft dough; pat out on floured board to about one-half inch in thickness (handle as little as possible); cut with biscuit cutter. Bake in hot oven 15 to 20 minutes.

CINNAMON BUNS
2 1/2 cups flour
1 teaspoon Dr. Price's Cream Baking Powder
1/2 cup milk or cold water
1/2 cup shortening
1/2 cup brown sugar
1/2 cup cinnamon
1/2 cup raisins

DR. PRICE'S
CREAM
Baking Powder

Made from Cream of Tartar, derived from grapes. Pure, wholesome and unvarying in strength. Raises the dough perfectly.

MADE IN CANADA

Sift 2 tablespoons of measured sugar with flour, salt and baking powder, rub shortening in lightly; add beaten egg to water and add flour. Roll out 1/4 inch thick on floured board; brush with melted butter, sprinkle with sugar, cinnamon and raisins. Roll as for jelly biscuits; cut into 1 1/4 inch pieces; place with cut edges up on well-greased pan; sprinkle with a little sugar and cinnamon. Bake in moderate oven 30 to 35 minutes; remove from pan at once.

PARKER HOUSE ROLLS
4 cups flour
1 teaspoon salt
2 teaspoons Dr. Price's Cream Baking Powder
1/2 cup milk or cold water
1/2 cup shortening

Sift flour, salt and baking powder together. Add melted shortening to milk and add slowly to dry ingredients, stirring until smooth. Knead lightly on floured board and roll out 1/4 inch thick. Cut with biscuit cutter. Grease each circle with back of knife one side of center. Butter the small section and fold larger part well over the small. Place one inch apart in greased pan. Allow to stand 15 minutes in warm place. Brush each with melted butter and bake in moderate oven 15 to 20 minutes.
